How to Obtain Copies of FRAN

The computer program described in this publication is available on request with the understanding that the U.S. Department of Agriculture cannot assure its accuracy, completeness, reliability, or suitability for any other purposes than that reported. The recipient may not assert any proprietary rights thereto nor represent it to anyone as other than a Government-produced computer program.

You may obtain copies of FRAN or inquire about its operation by writing or calling either Bruce Hansen or Jeff Palmer at the USDA Forest Service, Northeastern Research Station, Forestry Sciences Laboratory, 241 Mercer Springs Road, Princeton, WV 24740 (Telephone: 304-431-2700)

Internet Addresses:
Bruce Hansen: bhansen/ne_pr@fs.fed.us
Jeff Palmer: jpalmer/ne_pr@fs.fed.us

Program Installation

For optimal performance of FRAN, we recommend the following:

    *IBM or IBM-compatible PC
    *MS Windows® 3.x or Windows® 95
    *486 processor or above
    *Hard disk drive with at least 5 megabytes of free space
    *3.5-inch floppy-disk drive
    *Color monitor

To install FRAN, place the program diskette in you computer's 3.5-inch drive. If you are running Windows 3.1, select RUN from the File menu and enter A:\SETUP.EXE. If you are running Windows 95, click on START from the taskbar and select RUN. Enter A:\SETUP.EXE. Follow the instructions on your screen.
